

HERE ARE THE WINNERS OF THE 11th HEALTHCARE INNOVATION WORLD CUP® 2019!

Düsseldorf, 18th November, 2019

Selected out of more than 500 solutions from over 45 countries by the international jury, 16 Internet of Medical Things (IoMT) techpreneurs entered the Pitch and Award Ceremony on 18th November at the 6th MEDICA CONNECTED HEALTHCARE FORUM – the hotspot for digital health innovations. Here are the top16 IoMT solutions of 2019 (in alphabetical order):

[AUROX GmbH](#)

Headband for customized and precise thermoelectric cooling/warming on the forehead

[CarePredict, Inc.](#)

Wristable to detect early signals for changing behavior in elderly care

[Goodsomnia AB](#)

Anti-snoring device and app

[InnoSphere](#)

Non-invasive brain-stimulation medical device for permanent treatment of Attention Deficit Hyperactivity Disorder (ADHD)

[Kamedi GmbH](#)

Heat_it, smart treatment of insect bites with heat

[LAQA GmbH](#)

Smart drinking device for hydration management

[LifeSense Group](#)

Sensor preventing bedwetting for children

[Medicsen](#)

Smart patch for needle-free drug delivery

[MJN-SERAS](#)

Real-time monitoring for people with epilepsy to predict seizures

[MoNoA](#)

Device for detection of stress and guidance for improvement

[Nestmedic](#)

Telemedical CTG solution

[nevisQ GmbH](#)

Smart sensor band to detect a person`s movement patterns

[novapace](#)

Intelligent insole for GAIT training of Parkinson patients

[Kyphi](#) by University of Modena

Wearable device, mobile app and chatbot to prevent asthma attacks

[Xsensio](#)

Lab-on-Skin™ sensing platform to sense in real-time biochemical information at the surface of the skin

[Zeez Sleep Ltd](#)

Small sleep device using brainwave patterns to prompt good sleep

The top3 winners were revealed after a spectacular pitch session with live evaluation:

- 1st place:** **Medicsens, Medicsen Smartpatch, Spain**
Smart patch for needle-free drug deliver (e.g. for diabetes)
- 2nd place:** **MJN-SERAS, MJN-SERAS next step for seizure prediction, Spain**
Real-time monitoring for people with epilepsy to predict seizures
- 3rd place:** **Kamedi GmbH, Heat-it, Germany**
Smart treatment of insect bites with heat

The world's leading IoMT innovators of 2019 will now officially be part of the prestigious Innovation World Cup® [Hall of Fame](#) and benefit from prizes worth 500,000 USD including further pitching slots at prominent innovation events worldwide such as MEDICA, WT | Wearable Technologies Conferences, and Mobile World Congress. Furthermore, the winners will receive significant support from upfront Medtech experts, and potential investors to advance their IoMT solutions further.

The 12th Healthcare Innovation World Cup® is already open for submissions! Submit your solution free of charge from today and take chance to become the next top IoMT groundbreakers of tomorrow.

Behind the scenes

The 11th Healthcare Innovation World Cup® is a part of the Innovation World Cup® Series, the world's leading open innovation platform that supports breakthrough innovations to become reality. This year on Monday 18th November, the finals of the 11th Healthcare Innovation World Cup® took place at the MEDICA CONNECTED HEALTHCARE FORUM, the international innovation hotspot for digital health.

The Innovation World Cup® Series was initiated by Navispace AG in 2003. Current partners include STMicroelectronics, EBV Elektronik, Würth Elektronik, Microtronics, LOXXESS, AiQ Smart Clothing, and VARTA Microbattery. A panel of international industry experts selects the best solutions based on the level of innovation, marketability, and usability. Participation is free of charge.

Further partners include StartupCon, WT | Wearable Technologies, BIM World MUNICH, CSEM, AlPICT, ACCIO, Business OULU, G2 Startups, Gate Garching, Wolves Summit, Medical Valley, UnternehmerTUM, Team Côte D'Azur, French Côte D'Azur, Innovative City,

Innovability, CENSIS, MEDICA, InnMind, ISPO, Polar Bear Pitching, MIT Enterprise Forum Poland, Technoport, THINGS Stockholm, Munich Startup, Engerati, InfoShare, IFJ, IT2Industry, Paris Region Entreprises, Disruptive Week Milan, GZDN, INN.KUBATOR, TechBBQ, TAITRA, Hong Kong Science, Technology Park, Government of Canada, Cluster Digital, IOT Business News, and many more.
